

**REMARKS**

In the Advisory Action mailed September 5, 2007, objection was raised to claim 20 depending from amended claim 13 as containing new matter. Claim 20 has now been canceled.

The amendments to the claims made in the Amendment filed on August 13, 2007 were not entered based on the objection to claim 20, and are repeated hereinabove.

Thus, claim 13 has been amended to incorporate the recitations of allowable claim 21, which has been canceled. Allowable claim 20 has been written in independent form as new claim 26.

All claims have been found to be allowable over the art.

The filing of this Amendment was discussed with the Examiner today by telephone.

An early allowance of the application with amended claims is earnestly solicited.

Respectfully submitted,
